

Wisteria Farm Puppy Reservation Form

Wisteria Farm requires a \$200 **non-refundable** deposit once pups are born and then to be paid in full in cash by puppy pick up date. We do understand things happen in life so we will work with you. If at anytime the breeder decides not to choose you to own one of their pups, your deposit will be returned. You must understand, Wisteria Farm takes great pride in their breeding. We breed for health and temperament. Our pups are born in our home, not a barn or a kennel. They are unbelievably socialized and loved. We don't just sell our pups to anyone. It is a privilege to be accepted and own one of our pups. We will become friends for life during this experience and will always be there for you and your dog. Call or text anytime day or night and we will walk you through anything.
